Sharing Visions with Grace Chapel

ABOUT THE CHURCH

Grace Chapel is a Tennessee-based church located south of Nashville. Their mission is to worship the living God and His son Jesus Christ as well as disciple the believer with life-transforming, uncompromising biblical truth.

Key Challenge: Grace Chapel lacked a giving tool that would allow their congregation to financially support a wide variety of areas and campaigns with a functionality that anyone could use in the palm of their hand.

Solution: Vision2’s comprehensive giving solution is able to offer a wide variety of capabilities to meet the donors needs. Options like text-to-give provide more accessibility for people to invest in the most important pieces of His kingdom.

There is an inviting nature that comes with the serene landscape of Grace Chapel set among the rolling hills of Tennessee. The church not only offers many options for worship, discipleship activities and mission-based events, but it also works hard to serve its community in ways that will allow the donor to feel connected and involved regardless of their age or demographic.

Through Vision2’s text-to-give and mobile options, there are many ways to make a significant impact even beyond the walls of the church. When attending a service at Grace Chapel there is an intentional emphasis on how ministry grows through involvement and giving. This is demonstrated through a specifically-designed slide and instruction from staff during the Sunday services on how to join into the giving story and partner with the church. The result? Nearly 100 text-to-give donations to Grace Chapel every month.

Another way the church has grown over the past few years is through their extensive offerings of mission activities and special projects. Their Haiti Shoebox Project, for example, raised funds that will bless children in Haiti with a box full of gifts for Christmas.

They have been able to do extraordinary things with these specific programs because of the Vision2’s text-to-give and online features as well as the outpouring of resources from their donors. With the added benefits of efficient giving options the story of their ministry will forever be impacted for good.

SEE HOW VISION2 CAN IMPACT YOUR GIVING FOR LASTING CHANGE IN YOUR COMMUNITY AND FOR THE KINGDOM.

“THIS GIVING PLATFORM IS COMPREHENSIVE, NOT COMPLEX. IN LIFE YOU BUY WITH ALL THE BELLS AND WHISTLES TO DO AND PRODUCE MORE IN THE LONG RUN. TEXT-TO-GIVE IS JUST ONE OF THOSE FEATURES AND IT IS VERY EFFECTIVE.”

Jay Tremblay, STEWARDSHIP PASTOR
