Transactions will be deemed complete when we have received funds settling a transaction from the Card Networks, and/or financial institutions as related to ACH and Check Scanning, and when we, or processing financial institutions, have accepted such funds. The actual timing of transfers of settlement funds to your Deposit Account will be subject to the Payout Schedule as defined below. After each payout of settlement funds to your Deposit Account, we will update information in your Services Account to reflect settlement. Information regarding your card transactions processed and settled using V2S ("Transaction History") is available to you when you login to your Services Account. We provide a minimum of one (1) year of Transaction History on our website. Except as required by law, you are solely responsible for compiling and retaining permanent records of all transactions and other data associated with your Services Account, your Transaction History, and your use of our Payment Services.

**29. Payout Schedule.** *Payout Schedule* (Exhibit 2), incorporated herein by reference, refers to the time it takes from the point of our receipt of settlement funds (for completed transactions) and initiating transfer of settlement funds to your Deposit Account, to the point of funds being credited to your Deposit Account. Following daily review of your Services Account, we will initiate transfer of settlement funds (net Fees, Chargebacks, and other funds owed to us for any reason) in accordance with the Payout Schedule. The terms of the Payout Schedule are available to you when you login to your Services Account. Settlement funds will generally be credited to your Deposit Account within 1-2 business days of our initiating payout. We are not responsible for any action taken by the institution holding your Deposit Account that may result in some or all the funds not being credited to your Deposit Account or not being made available to you in your Deposit Account. You may contact us to inquire about changing the timing of your Payout Schedule. Upon submitting a request, you will be informed of our process and requirements for reviewing your Payout Schedule. V2S and/or Wells Fargo reserve the right to change the Payout Schedule or suspend payouts to your Deposit Account should we determine it is necessary due to pending disputes, excessive or anticipated excessive Chargebacks or refunds, or other suspicious activity associated with your use of our Service or if required by law or court order.

**30. Reconciliations and Errors.** Your transaction history will be available to you when you login to your Services Account. Our Software Services will reconcile transactions processed through our online payment services and enable you to reconcile offline transactions not processed through our payment services. You agree to assist in resolution of any discrepancies arising from reconciliation and verification. We will investigate any reported discrepancies and attempt to rectify any errors that you or we discover. In the event you are owed money as a result of a discrepancy, we will transfer funds to your Deposit Account in the next scheduled payout. Your failure to notify us of an error or discrepancy in your Transaction History within sixty (60) days of when it first appears in your Services Account will be deemed a waiver of any right to amounts owed to you in connection with any such error or discrepancy in processing your card payments. You are responsible for reconciling and resolving errors for those transactions that are not processed through our Payment Services but are posted by you in our Software for management purposes. If you submit or cause us to process transactions erroneously, you agree to contact us immediately. V2S will only correct transactions that you process incorrectly if and when you notify us of such an error. Your failure to notify us of a processing error within thirty (30) days of when it first appears on your electronic Transaction History will be deemed a waiver of any right to amounts owed to you.

**31. Cancellations.** By accepting these terms of service, you agree to submit any and all cancellations and adjustments for cancellations through our Payment Services to the Cardholder's card or to the supporter's Deposit Account in the case of an ACH or Check Scanning transaction, in accordance with the terms of this Agreement, applicable Card Association and NACHA Rules. You also agree to: (i) maintain a fair gift cancellation or adjustment policy; (ii) prominently display your contact information on your website for supporters' use regarding inquiries about or cancellation of their gift transactions; (iii) not give cash refunds to a supporter in connection with V2S processed giving, unless required by law; and (iv) not accept cash or any other item of value for preparing a Giving refund. Full refunds must be for the exact dollar amount of the original transaction including tax, handling charges, and other fees and/or charges. The refund amount may not exceed the original gift amount. Refunds processed through V2S Services must be submitted within sixty (60) days of the original transaction but in all cases, within three (3) days of approving the Cardholder refund. For processed refunds, if funds required are not available from settlement funds owed to you, V2S will deduct the refund amount (including any applicable Fees) from: (i) settlement funds owed to you from processing of other card transactions; or (ii) funds in any Reserve Account, if applicable. If these funds are not sufficient, you authorize V2S to initiate an ACH debit entry to your Deposit Account in the amount necessary to complete the refund transaction to the Cardholder's card or to the supporter's Deposit Account in the case of an ACH transaction in accordance with the terms of this Agreement and applicable Card Association and NACHA Rules. In the event you process a refund for an ACH transaction for which the supporter has already requested their financial institution to stop payment and your processing of the refund results in a deposit in the amount of the refund to the supporter's Deposit Account, you are financially responsible for recovery of those funds and remittance to V2S within 30 calendar days, or V2S will debit your pending settlements and/or or Deposit Account in the amount of the refund and any resulting fees. In the event V2S cannot access your Deposit Account by means of an ACH debit entry to collect funds owed, you agree to pay all funds owed to V2S upon demand. You are solely responsible for accepting and processing of returns.

**32. Chargebacks.** A Chargeback is typically caused due to: (i) client disputes; (ii) unauthorized or improperly authorized transactions; (iii) transactions that do not comply with Network Rules or the terms of this Agreement or are allegedly unlawful or suspicious; or (iv) any reversals for any reason by the Network, our processor or acquiring bank, the Cardholder bank, or the bank on which ACH or Check Scanning transaction is drawn. If we reasonably believe that a Chargeback is likely with respect to any transaction, we may withhold the amount of the potential Chargeback from payments otherwise due to you under this Agreement until such time that: (i) a Chargeback is assessed due to a supporter's complaint, in which case we will retain the funds; (ii) the period of time under applicable law or regulation by which the supporter may dispute that the transaction has expired; and/or we determine that a Chargeback on the transaction will not occur. When a Chargeback is issued, you are immediately liable to us for the full amount of payment of the Chargeback plus any associated fees, fines, expenses or penalties (including those assessed by the Networks or our payment processor). You agree that V2S may recover these amounts by means of an ACH debit of your Deposit Account associated with your Services Account, by debiting your Reserve Account (if applicable), or offsetting any amounts owed to you by us. If we are unable to recover funds related to a Chargeback for which you are liable, you agree to pay us the full amount of the Chargeback immediately upon demand. You agree to pay all costs and expenses, including without limitation attorney fees and/or costs and/or other legal expenses, incurred by or on behalf of us in connection with the collection of any Chargebacks unpaid by you.

**33. Contesting Chargebacks.** Either you or V2S may elect to contest Chargebacks assessed to your account. We may provide you with assistance including notifications and Software to help contest your Chargebacks. We do not assume any liability for our role or assistance in contesting Chargebacks. You agree to provide us with necessary information on request in a timely manner and at your expense to assist in an investigation to resolve any Chargeback. You also grant us permission to share records or other information required with the Cardholder, the Cardholder's financial institution, and your financial institution to help resolve any disputes. You acknowledge that your failure to provide us with complete and accurate information in a timely manner may result in an irreversible Chargeback being assessed. If the Cardholder's issuing bank or the Network does not resolve a dispute in your favor, we may recover the Chargeback amount and any associated fees from you as described in this Agreement. We reserve the right, upon notice to you, to charge a fee for mediating or investigating Chargeback disputes.

**34. Excessive Chargebacks.** If V2S, the Card Associations, or our payment processor determine at any time that you are incurring excessive Chargebacks, additional fees, penalties, fines, and/or additional controls or restrictions may be imposed upon your use of our Payment Services, upon your receipt of notice from us. Actions may include: (i) changes to the terms of your Reserve Account, or establishment of a Reserve Account if one was not initially required; (ii) increases to your applicable Fees; (iii) delays in your Payout Schedule; and/or (iv) possible suspension or termination of your Services Account and Services. The Networks may also place additional controls or restrictions as part of their own monitoring programs for merchants with excessive Chargebacks.

**35. Our Set-Off Rights.** To the extent permitted by law, V2S and/or Wells Fargo may collect any obligations you owe us under this Agreement by deducting the corresponding amounts from your Reserve Account, as applicable, or from funds payable to you arising from the settlement of payment transactions. Fees will be assessed at the time a transaction is processed and will be first deducted from the funds received for such transactions. If the settlement amounts or Reserve Account are not sufficient to meet your obligations to us and/or Wells Fargo, we may charge or debit your Deposit Account or credit card registered in your Services Account for any amounts owed to us. Your failure to fully pay amounts that you owe us on demand is a breach of this Agreement and may result in immediate suspension or termination of this Agreement. You are liable for our costs associated with collection of unpaid amounts in addition to the amount owed, including without limitation attorney fees and/or costs and/or expenses, costs of any arbitration or court proceeding, collection agency fees, and any applicable interest. Additionally, we may, at our sole discretion, require a personal guaranty from a Principal of the organization for funds owed under this Agreement.

**36. Reserve.** At any time and/or from time to time we may temporarily suspend or delay payments to you, and/or designate an amount of funds that we must maintain in our Settlement Account on your behalf or in a separate Reserve Account to secure the performance of your payment obligations under this Agreement. Our payment processor is the only party that may authorize transactions on your Reserve Account. The Reserve, if required, will be an amount determined by us or our payment processor in our sole discretion to cover anticipated Chargebacks, refunds, or credit risk based on your processing history. V2S in its sole discretion may change the terms of your Reserve Account at any time based on your payment processing history and/or capacity to perform as required under this Agreement or as requested by our payment processor. The Reserve shall be funded within seven (7) days of notice, unless the notice is requiring an increase in your reserve and the increase is greater than 50% of the existing reserve, then, you will be given fourteen (14) days to fund the increase in Reserve. V2S may agree to funding of your initial Reserve by means of: (i) providing a deposit for the full amount of the reserve required, (ii) providing a portion of the reserve required, as determined solely by V2S and/or our processor, and the remaining balance of the reserve debited from any funds due to you for payment transactions submitted to the Services until the full reserve amount required is on deposit. In the event of termination of your Services Account, once all outstanding transactions are settled, V2S will release a portion of the remaining Reserve on a monthly basis, based upon the remaining potential risk as determined solely by V2S and/or our processor. A portion of your Reserve (after all transactions are settled) will be retained for a period of no less than 10 months. If termination was for cause, Vision2Systems and / or our payment processor reserve the right to extend the period that the Reserve is held.

**37. Security Interest in Reserve Account.** In the event a Reserve is required, you grant V2S and/or Payment Processor a lien and security interest in your Reserve Account, all payment transactions (including future Card, ACH and Check Scanning transactions), any rights to receive credits or payments under this Agreement, and all deposits and other property of yours possessed or maintained by us on your behalf. You also agree to authorize our payment processor, to debit your Reserve, if applicable, upon review and approval of a valid request from V2S. You agree to execute, deliver, and pay the fees for any documents we and/or Wells Fargo request to create, perfect, maintain, and enforce this security interest.

**38. Payment Network Disclosure.** See *Payment Network Disclosure*, incorporated herein by reference. Full signature acknowledgement of this disclosure is required, in addition to signed acceptance of terms and conditions of Agreement. V2S is responsible for providing you AMEX guidelines with which you must comply.

### Part Three | Other *Legal Terms and Conditions Applicable to Agreement*

**1. Term.** This Agreement is effective upon the date you agree, by signing the Agreement, or electronically indicating acceptance, and continues so long as you use our Services and remain in good standing; or (i) until such time as the Agreement is terminated by you; or (ii) V2S and/or Wells Fargo terminate your Payment Services in their entirety upon written notice., in which case your continued use of other V2S Services remains subject to provisions of Part One, Software as a Service Terms and Conditions.

**2. Termination.** You may terminate this Agreement by closing your Services Account at any time for any reason by following the instructions in your V2S Account Profile. V2S or the acquiring bank may terminate this Agreement in its entirety and close your Services Account at any time for any reason upon providing you written notice of termination effective as of the date of notification of our intent to terminate. We may suspend your Services Account and your access to the Services and any funds in your Deposit Account, or terminate this Agreement if: (i) we determine in our sole discretion that you are ineligible for the Services due to risk associated with your Services Account, including without limitation, significant credit or fraud risk, patterns of excessive chargebacks or unauthorized transactions, or any other reason, (ii) you do not comply with any of the provisions of this Agreement ; and/or (iii) Wells Fargo, a card association, or card issuer, or legal or law enforcement action requires termination.

**3. Effects of Payment Services Termination.** Upon notice to you of termination of your Payment Services, we will immediately discontinue your access to Payment Services. You agree to complete all pending transactions, immediately remove

and discontinue use of all logos, marks and references related to Associations, and stop accepting new transactions through our Payment Services. You will not be refunded the remainder of any fees that you have paid for the Services if your access to or use of the Services is terminated or suspended. Any funds in our custody will be paid out to you subject to the terms set forth in this Agreement. Termination does not relieve you of your obligations as defined in this Agreement and V2S may elect to continue to hold any funds deemed necessary pending resolution of any other terms or obligations defined in this Agreement, including but not limited to Chargebacks, Fees, Refunds, or other investigations or proceedings. Upon termination you agree to: (i) immediately cease your use of Payment Services; (ii) immediately discontinue use of any V2S trademarks and remove any V2S references and logos from your Site; (iii) continue to be bound by this Agreement. We will not be liable to you for compensation, reimbursement, or damages in connection with your use of the Services, or any termination or suspension of the Services or deletion of your information or account data. We reserve the right to retain customer data for a period sufficient to resolve chargebacks and other disputes. *Part One: Software as a Service Terms and Conditions* will prevail in regard to use of V2S Services other than payments, including migration of data to another service provider, data deletion, responsibility or liability regarding your customer or organization data security or privacy and other effects of Payment Services termination.

**4. Payments Liability.** You are responsible for all Reversals, Chargebacks, Claims, fines, fees, penalties, and other liability arising out of or relating to your breach of this Agreement, and/or your use of the Services to process transactions on your behalf. You agree upon notice to you by us and/or Wells Fargo that you will reimburse your supporter, V2S, Wells Fargo and any other third party designated by V2S or Wells Fargo for any and all such liability. The following are brief definitions of key terms: (i) "Chargeback" is a request that a supporter files directly with his or her card company or card issuing bank to invalidate a processed payment; (ii) "Claim" is a challenge to a payment that you or your supporter files directly with V2S. (iii) "Reversal" means V2S reverses the settlement of funds from a processed transaction that you received because either the transaction was invalidated by the card issuer or other financial institution or the settlement funds were sent to you in error by either V2S or Wells Fargo; the processors, suppliers or licensors of V2S or Wells Fargo; or any of the respective affiliates, agents, directors, and employees of any of the entities listed in (1) or (2) above; the sender of the payment did not have authorization to send the payment (for example: the buyer used a card that did not belong to the buyer; a check was forged); you received the payment for activities that violated this Agreement or any other V2S agreement. V2S will have final decision-making authority with respect to Claims filed with V2S, our payment processor and/or a Card Association by you or your supporter, including any supporter disputed transactions that you are unable to resolve within 30 days upon notice, or as otherwise mandated if outside of our control. You agree to reimburse V2S for your liability. Your liability will include the full amount of the transaction and any associated fees or penalties. You will not receive a refund of any fees paid to V2S. Without limiting the foregoing, you agree to defend, indemnify, and hold harmless V2S, Wells Fargo and their respective employees and agents (collectively "Disclaiming Entities") from and against any claim, suit, demand, loss, liability, damage, action, or proceeding arising out of or relating to: (i) your breach of any provision of Payment Services Terms and Conditions and/or other Terms and Conditions of their Agreement ; (ii) your use of our Payment Services, including without limitation any reversals, Chargebacks, Claims, fines, fees, penalties and attorney fees; (iii) your, or your employee's or agent's, negligence or willful misconduct; and/or (iv) third party indemnity obligations we incur as a direct or indirect result of your acts or omissions (including indemnification of any Organization or Issuer). If you are liable for any amounts owed to V2S and funds being held on your behalf in our Settlement Account are either not available or insufficient, V2S may request that Wells Fargo deduct the amounts owed to V2S. If you do not have sufficient funds in the Reserve, if applicable, to cover your liability, you will be required to add additional funds to your Reserve within 7 days, or we may debit your Deposit Account or credit card. If you do not deposit funds within 7 days, or funds are not otherwise paid or made available, V2S may engage in collections efforts to recover such amounts from you at your cost and expense.
